

## *Did you know...*

**YOU are invited to  
Town Hall II Meeting  
on March 25<sup>th</sup>?**

**Town Hall II: A Guide to Action.** This is the next step to reducing underage drinking in Wahkiakum County.

When: Tuesday March 25, 2008 from 6:00 – 8:00 PM

Where: JA Wendt Elementary multi-purpose room

Who should attend: Parents, grandparents, neighbors, community leaders, and the entire village!

The most effective way of raising awareness about local community problems and solutions is to hold a community briefing - a town hall meeting. In March 2006, Wahkiakum Community Network held its first Town Hall to inform our community about an emerging substance abuse problem of underage drinking. At that meeting, 205 community members gathered to hear from a panel of professionals on why underage drinking is devastating to our community. Participants discussed reducing underage drinking and how to change the community's attitude toward drinking as a rite of passage.

**On March 25, 2008 you are invited to attend Town Hall II: A Guide to Action. This is the next step to reducing underage drinking in Wahkiakum County.** Underage drinking affects us all. Efforts to prevent underage drinking must engage the society at large. This workshop will provide community members with tools and ideas that you can put into action.

*This is a free event; refreshments and door prizes will be provided!*
