

# Did you know...

Wahkiakum Community Network would like to thank our current and past board members for the past 13 years of volunteer service!

Wahkiakum Community Network was founded in 1996 as a local citizen-driven volunteer board, volunteering thousands of hours to prevent teen substance abuse, child abuse & neglect, and domestic violence. Our goal is to support community based changes to improve the lives of children and families in Wahkiakum County.

Since its beginning, our coalition has partnered with local parents, high school youth, Wahkiakum and Naselle School Districts, Cathlamet Town Council, Wahkiakum County Health & Human Services, 4-H, Washington State Children's Administration, Employment Security, St. James Family Center, youth service organizations, Charlotte House, Wahkiakum Chamber of Commerce, faith leaders, local senior citizens, Wahkiakum County Sheriff Department, Wahkiakum County Commissioners and a multitude of others to ensure Wahkiakum County citizens were represented.

In honor of our thirteenth anniversary, Wahkiakum Community Network would like to take this time to publicly thank all of those who have donated their time on the Network board of directors over the past 13 years. *Thanks for all you do to improve the lives of children and families in our community!*
