Did you know…

Our new Pledge Wall is displayed on the south wall of the Doumit Building's Cathlamet Market?

Thank you to community members and Doumit Designs for creating a beautiful new art piece "The Pledge Wall" in downtown Cathlamet. This project began last Bald Eagle Days when community members made a commitment to make healthy choices in their lives.

If you would like to get involved in community-based projects, join the Network, a community-based volunteer board, supporting positive changes to improve the lives of children and families in Wahkiakum County.
